Tailor Made “Big Five In Tanzania” (Available in 3 Tiers)

If your interests are purely wildlife viewing and have heard about Tanzania's fauna and about unfrequented parks, then AfricanMecca's “Big Five In Tanzania” delivers a phenomenal and unmatched experience of visiting five major parks in Tanzania.

Day 1: Meet on arrival in **Arusha**, transfer to overnight hotel at **The Arusha**.

Day 2: Drive to **Tarangire**, set amongst the baobab and sausage trees creating perfect hues at dawn and dusk. Spend rest of day game driving with opportunity to view buffalos, elephants, lions and over 550 species of birdlife. Return to the wilderness of the Maasai guarded **Kikoti Camp**.

Day 3: Drive to **Ngorongoro Crater**, considered an 8th wonder of the world, and experience fabulous panoramic views from the crater rim. Descend to the crater floor to watch rhinos, cheetahs, lions, hippos and other diverse fauna. Overnight at the picturesque **Ngorongoro Serena Lodge**.

Day 4-6: Drive to **Serengeti** and let your thrills gallop along side the wildebeest migration as the procession circumbulates the Serengeti attracting predator and prey. Stay at strategically handpicked accommodations based on the seasons: **Serena Lodge, Migration Camp, Ndutu Lodge, Mbalageti Camp or Serena Mbuzi Mawe Camp**.

Day 7-8: Fly via light aircraft to **Selous Game Reserve** home to over 50% of Tanzania's elephant population, 3000 lions, 440 species of birdlife and many more. Stay at **Rufiji River Camp**. Activities available include boating safari, game drives or authentic safari walks.

Day 9-10: Fly via light aircraft to **Ruaha Park**. The magic of wild Ruaha is such that its events are all naturally unscripted: whether its lions ready to pounce on zebras or fish eagles scooping out eels from the crocodile filled river. Stay at **Mwagusi Camp or Ruaha River Lodge**.

Day 14: Connect to your international flight or to the Indian Ocean Islands of Zanzibar.
