

Elephant Adoption Certificate

Nabulu

Dear AfricanMecca Safaris - Altaf & Raza Visram,

Congratulations on your elephant adoption. In so kindly choosing to adopt Nabulu you are helping us provide the specialist care your orphan elephant needs to grow and thrive.

You can stay in touch with our Orphans' Project through your exclusive access to our online Keepers' Diaries and monthly updates, with photographs and a location map showing where your orphan was rescued, creating a valuable record of Nabulu's progress. Together with your updates I paint a collectable watercolour every month for you to enjoy, print out and keep.

We are excited to welcome you to our wild family.

Most gratefully,
Angela Sheldrick
