African Mecca Safaris

A whipping 360s in Kenya and Tanzania form the backbone of AfricanMecca’s menu of safaris—and that doesn’t even include the company’s underwater offerings. In another dozen hidden ocean marine parks, clients can watch with sea turtles, whale sharks, and eagle rays while gazing at mushroom and honeycomb coral and caves filled with lobsters. In 2006 AfricanMecca will be launching 27 programs in a new destination, Zambia.

Now in 2006:
